# About IILM

---

IILM is an innovative and purpose-driven institution offering multidisciplinary programmes in Management, Computer Science & Engineering, Law, Psychology, Design, Journalism & Communication, and Liberal Arts.

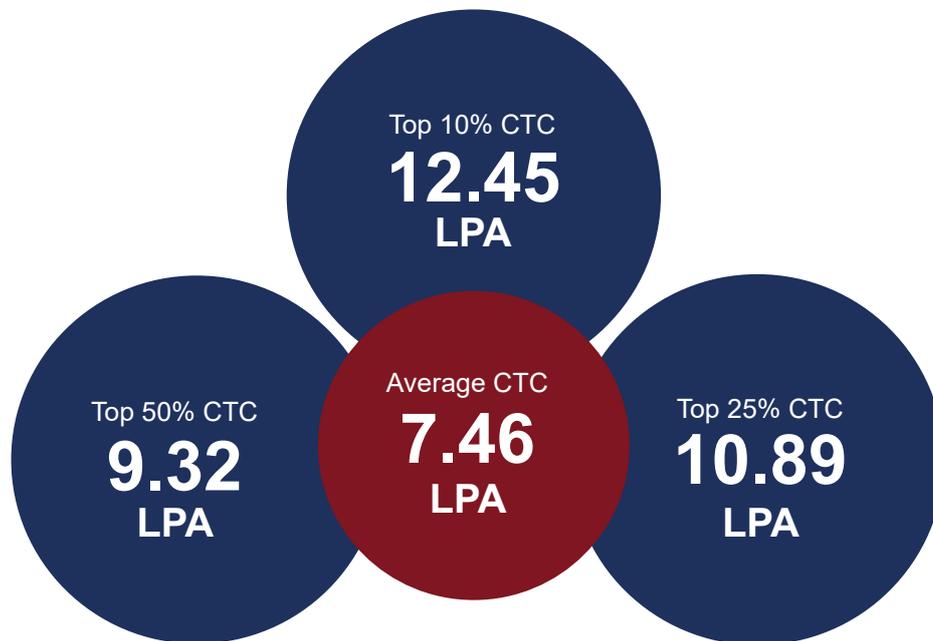

We are committed to empowering students through an education that not only challenges their intellect but also connects meaningfully with the real world.

Established in 1993, IILM is a distinguished higher education institution with multiple campuses strategically located in Gurugram, Greater Noida, and Lodhi Road, New Delhi. The year 2018 marked a significant milestone as the Gurugram campus was granted university status by the Government of Haryana. Similarly, in 2022, the Greater Noida campus attained university status under the Uttar Pradesh Private Universities Act.

# Corporate Engagement & Career Services

---

The Career Services Department at IILM University, Gurugram is a dedicated, professional team that leverages strong industry connections to bring top recruiters for placements and internships. The team plays a crucial role in guiding students through their career journeys, ensuring they are well-prepared to seize professional opportunities.

We go beyond job placements by enhancing employability skills through CV and case-study workshops, mock group discussions, and mock interviews. This comprehensive approach equips students with the confidence and expertise needed to excel in recruitment processes.

Our structured and transparent approach ensures continuity in recruiter relationships and sustains a robust, reliable placement ecosystem.

## Corporate Readiness Programme

IILM University, Gurugram diligently prepares students for their career aspirations through a holistic and hyper-personalised Corporate Readiness Programme (CRP). Instead of simply telling students what to do, the programme guides them through a step-by-step journey to secure their desired careers.

While CVs and mock interviews are important, our approach focuses on building the Mindset, Skillset, and Toolset of students. The Career Selection Process forms the foundation for long-term success, beginning with the “Know Yourself” module, which offers in-depth insights into various sectors and roles.

This is followed by one-to-one sessions to design each candidate’s Career Roadmap, along with structured training on essential skills and tools. Mentors from diverse industries provide hands-on guidance, ensuring that our students are truly career-ready.

# Structured Career Development Framework

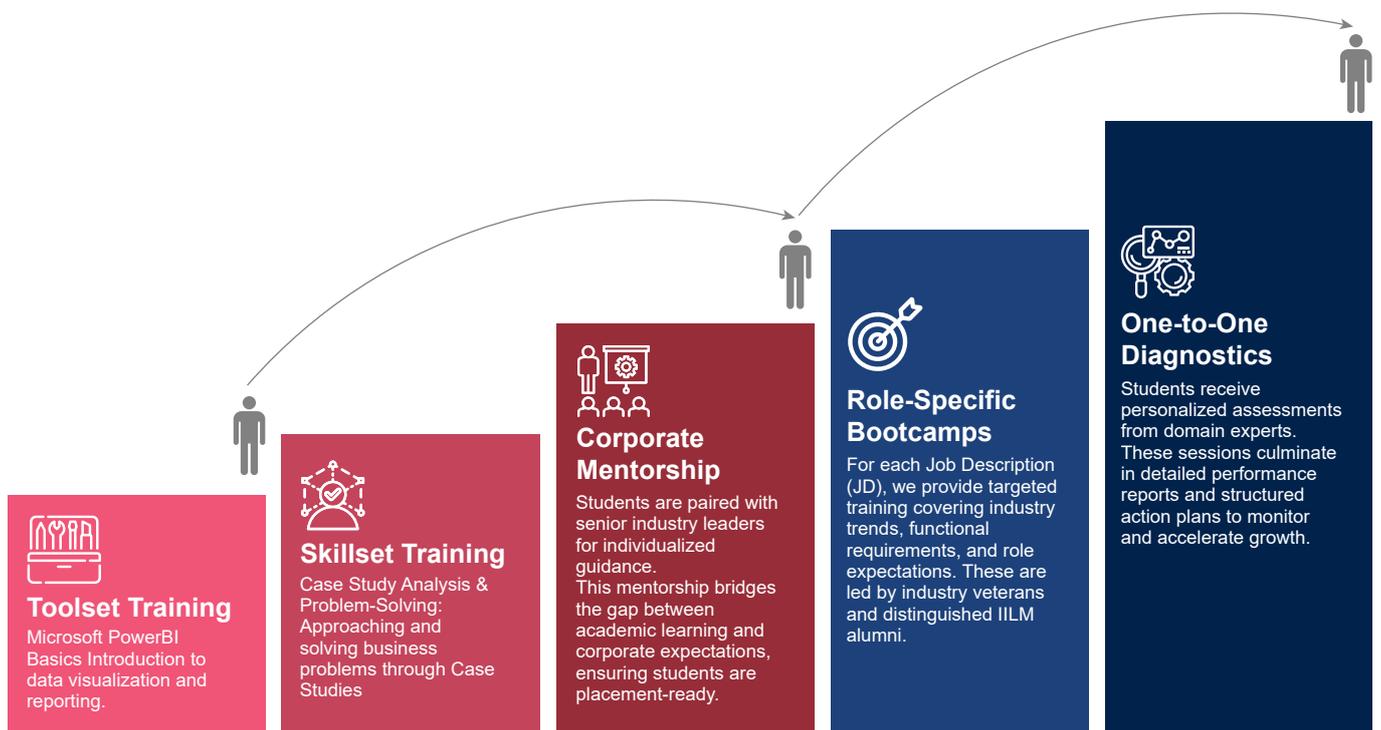

A strategically designed two-year model that prepares students for professional success through structured training, mentorship, and industry exposure.

## Year I – Foundational Development Phase

The first year strengthens core competencies through toolset training, analytical development, case-based learning, and corporate mentorship, building technical expertise, business acumen, and professional confidence.

## Year II – Professional Acceleration Phase

The second year focuses on specialised preparation through role-specific bootcamps, advanced domain training, and personalised assessments, enabling students to transition confidently into high-impact professional roles.

## Leading Organisations Extending

## Pre-Placement Offers

Students secure Pre-Placement Offers through strong internship performance and live projects. Collaborations with leading organisations reflect industry confidence in the capability and professionalism of our graduates.

# Summer Internship Programme

---

The Summer Internship Programme (SIP), offered between April and June, serves as a bridge between academic learning and real-world business challenges. Designed to provide students with hands-on industry experience, the programme allows them to apply theoretical knowledge in practical settings, enhancing their professional skills, adaptability, and problem-solving abilities. Our students intern with leading organisations across diverse sectors, gaining exposure to emerging industry trends, corporate work culture, and professional networking. These internships often lead to Pre-Placement Offers (PPOs), equipping students with a competitive edge in the job market. With strong industry collaborations, IILM ensures that students receive valuable insights and mentorship from top professionals, preparing them for successful careers ahead.

# Student Testimonials

---

“

My journey at IILM University, Gurugram has been both transformative and empowering. Serving as Vice President of the Placement Committee strengthened my leadership, accountability, and industry exposure. The consistent mentorship of the faculty, coupled with rigorous Group Discussion and Personal Interview training, played a pivotal role in my placement success.

By consciously stepping beyond my comfort zone and refining my communication skills, I developed the confidence required to perform under pressure. Today, as a Management Trainee – Finance at AYE Finance, I take pride in crediting IILM for shaping me into a confident, industry-ready professional.

”

▶ **AVNI**

Management Trainee – Finance, AYE Finance

“

I am sincerely grateful to IILM University for shaping my professional journey and enabling me to secure the position of Relationship Manager at ICICI Bank. The University provided a strong academic foundation complemented by industry-oriented exposure.

Continuous guidance, mentorship, and encouragement from the faculty enhanced my confidence, communication abilities, and overall personality development. Their support ensured I approached interviews with clarity and conviction, stepping into the corporate world with confidence and preparedness.

”

▶ **AISHWARYA SHARMA**

Relationship Manager, ICICI Bank

“

My journey at IILM University remains deeply meaningful to me. Serving as President of the Innovation Club encouraged me to think creatively, take initiative, and evolve as a leader.

The practical learning environment, combined with consistent faculty support, strengthened my professional capabilities and provided clarity regarding my career aspirations. IILM not only honed my skills but also nurtured my belief in my own potential. I am truly grateful that this journey contributed significantly to my selection at L'Oréal.

”

▶ **UJJWAL NIGAM**

Sales Executive, L'Oréal

““

My MBA journey at IILM University played a defining role in shaping both my career direction and professional confidence. The industry-focused curriculum enabled me to develop practical business and analytical skills beyond theoretical knowledge.

Faculty mentorship, live projects, and exposure to real corporate challenges enhanced my decision-making abilities. The proactive Placement Cell provided structured guidance in interview preparation, CV development, and professional readiness.

Supported by strong industry linkages and a collaborative ecosystem, I was able to secure opportunities aligned with my career aspirations and step into the corporate world with clarity and confidence.

**UMANG KHATWANI**

Business Development Executive, Hero Vired

““

IILM University, Gurugram, marked a defining chapter in my journey. What began as an academic pursuit evolved into a transformative experience where I discovered my strengths and challenged my own limitations.

Serving as General Secretary of the IILM Optech Nexus Club and Social Media Head of the IILM Innovation Club was not merely about holding positions of responsibility; it was about leading teams, managing deadlines, and learning through real-world challenges. These experiences strengthened my leadership capabilities in the most practical way.

The unwavering support of the faculty and structured GD-PI training significantly enhanced my confidence and communication skills. Today, as a Management Trainee at Bajaj General Insurance, I am grateful that IILM not only prepared me for placements but also instilled resilience, clarity, and self-belief as I step into the corporate world.
