

Over 24 years of practice, Dr. Sonia Khera is serving as a Registrar at IILM Institute for Higher Education at Lodhi Road. She is a Law Professor by passion and a Doctor by profession. Her journey as an academician has been characterised by a deep commitment to scholarship, an unquenchable thirst for knowledge, and a genuine passion for fostering learning and growth in her students. She began with a strong foundation in her chosen field of study in Medicine. She pursued her undergraduate studies in Bachelors of Dental Surgery, where her exceptional academic performance quickly marked her as a promising scholar. This paved the way for further academic pursuits.

As a dedicated educator, Dr. Sonia has played a pivotal role in shaping the minds of students. Her teaching methods are characterised by innovation, critical thinking, and a genuine desire to nurture her students' intellectual curiosity. Her students often commend her for her ability to make complex concepts accessible and her unwavering support for their academic growth.

Beyond her institution, Dr. Sonia has actively contributed to the broader academic community. She served as a Dean- SBS Swiss Business School, Switzerland and Monroe College, USA collaborated foreign degrees Undergraduate Business School at IILM, Lodhi Road. She has served on editorial boards, participated in academic committees, and collaborated with scholars from diverse backgrounds. Her commitment to fostering a culture of collaboration and knowledge-sharing is widely recognized. She received the "Innovative Teaching Award"- a prestigious recognition by Global Leaders- <https://glawards.org/>
